July 15, 2020

M&R HOLDINGS

IMPORTANT NOTICE

TO ALL RESIDENTS

OF

35 WYNFORD HEIGHTS CRESCENTS

We are pleased to advise that the last stage of the exterior landscaping enhancements for the front entrance canopy is scheduled to begin the week of September 15, 2020. This work will involve the replacement of the canopy roof and then painting of the underside. During the project, you will likely experience: noise, dust, a mobilization area and trucks to be parked on the front driveway area. As such, this this work is scheduled to be completed by the middle to end of October 2020 (weather permitting).

During the completion of the canopy work, there may be limited access through the driveway and at times it may be necessary to close off access to the front entrance of the building. In this event, we will post notices. When the front entrance is closed, residents will need to enter/exit the building through the side or back entrance, and will need to make appropriate arrangements for deliveries.

Thank you in advance for your patience and understanding. If you have any questions please contact your site staff at 416-449-2420.

Regards,

WYNFORD TOWER
